Important Information for Lunches

18th December 2020

From Tuesday 5th January 2021 we are taking over the running of our own school kitchen. This is very exciting as we will be able to have more control and choice regarding our menus and the ladies in the kitchen (Mrs Quinn, Mrs Parkin and Mrs Jackman) will be employed by Dalton St Mary's rather than Dolce. Our lunches will still be determined by Government guidance regarding nutritional value and standards and our kitchen will still be inspected under local authority hygiene inspections (we are proud of our 5 star kitchen!).

What does this mean for you as a parent?

From January 2021 lunches should be ordered and paid for using ParentPay. Lunches should be live to order on ParentPay from 3rd January 2021. They will appear on your ParentPay home screen to select and pay. Each day your child is having a hot lunch you should select their preferred main option. When your child collects their lunch from the hatch they will be offered a choice of side dishes and a choice of desert. Desert will be a hot option, fresh fruit or a yoghurt.

I am anticipating, the first week back, that there may be some issues. I ask parents please do not worry if you have not been able to order lunches; we are ready for this on the first day back and we will check that every child has lunch. Once the routine of ordering is established we can look forward to developing our hot meal provision with the ladies in the kitchen.

Yours sincerely,

L Woodburn
